Re: United States v. Jonatan Correa
20 CR 18 (RMB)

Dear Judge Berman:

By this letter motion I respectfully request that the Court adjourn Mr. Correa's surrender date from June 15 to July 2, 2021. Assistant United States Attorney Andrew Chan and U. S. Probation Officer John Gabrielson inform me that they do not oppose this request. In addition, Tammy Jones, the Office Support Specialist at the facility, indicated via email the amenability of the confinement center to receiving Mr. Correa on July 2, provided that the Court approves it.

Currently, the community confinement center where Mr. Correa will surrender has a mandatory two-week isolation protocol in place, meaning that Mr. Correa will be in custodial isolation for the first two weeks of his 90 day confinement period. He will not be permitted to leave his cell, let alone continue working during daytime hours as the Court contemplated when it imposed sentence in this case last month. This protocol is mandatory even though, as the Court knows, Mr. Correa has already contracted and recovered from COVID-19.

However that isolation protocol is being terminated effective July 1, 2021. Accordingly it is my respectful request that the Court adjourn Mr. Correa's surrender date by approximately two weeks, from June 15 to July 2, 2021.

I thank the Court for its consideration and attention.

Sincerely,

David Wikstrom
